1ST EUROPEAN FAIR AND CONFERENCE FOR THE FORGING INDUSTRY

Extensive supplier exhibition combined
with a commercial and technical forum

BERLIN • GERMANY
13–15 NOVEMBER 2018

EUROFORGE | 1st conFAIR 2018
| the future of forging

www.EUROFORGE-conFAIR.com

WELCOME ADDRESS

Dear Colleagues and Friends,

On behalf of EUROFORGE I am absolutely delighted to announce that the 1st EUROFORGE conFAIR will be held in 2018. The event will take place from 13th – 15th November 2018 at the ESTREL Congress Center Berlin, Germany.

Fair & Exhibition

Do not miss out on this opportunity of meeting with key members of the forging world, come and join us as an international exhibitor, use it as the perfect time to promote your brand new products and exchange your latest technological developments.

Conference

EUROFORGE conFAIR 2018 is designed specifically for the forging industry – gain new insights, contribute your experiences and share your thoughts with others within the forging world. Meet the scientific and commercial forging community at plenary sessions and commercial workshops.

Take up the opportunity of becoming an active player solely within the forging market. We really hope that we will have the wonderful pleasure of being able to welcome you at the Berlin EUROFORGE conFAIR 2018.

Alper Kanca
EUROFORGE President

More information on
www.EUROFORGE-conFAIR.com

- Latest developments in forging technology
- Impacts of e-mobility on the forging industry
- Lightweight potentials in forged products
- Forging industry 4.0
- International market trends

ABOUT EUROFORGE

EUROFORGE is the professional partner and network builder for the European Forging Associations/companies when dealing with questions concerning common opportunities and threats of the forging business. The overall objective is to enlarge the activities of the national EUROFORGE member associations by providing a platform for European forging companies for exchanging experiences and discussing common challenges.
